RENDHAM PARISH COUNCIL NEWSLETTER

DOG POO BINS - There are concerns about dog waste not being picked up. There are Health & Safety issues around this, especially for children. It is important that we keep Rendham as clean as possible. Everyone needs to be aware that dog poo bags can be put in the grey bins for collection by Refuse. There is one dog poo bin currently at the bottom of the Cancer by the B1119, almost opposite the church. However, it was decided at the cost of £191+VAT to purchase another bin from the Amenity Fund. It has now been installed at the bottom of Rendham Green, past Hill Farm Road by the footpath sign onto the Peasenhall Road to Sandy Lane (Footpath 13). This area is well used as a circular walk both by residents and holiday makers.

CARLTON MERES - Two representatives from Kelsale cum Carlton came to the PC Meeting to inform the council about the development at Carlton Meres where they intend to place another 50 caravans. They are technically allowed to open 11.5 months a year, but it is unclear whether this is monitored, or whether people are living there full time. The land where they intend to place these caravans is actually within the Rendham Parish boundary, very close to Rendham Barns Farm. The Parish Council was not informed in the usual way. Four Councillors paid a visit to the site and will send their comments to planning by 18th September. You may have seen some details that were sent round on the village email that Trevor Salmon received from David Robbie. Several people have objected already to the over development.

RENDHAM PARK - It was decided to rename P.A.R.K Play area for Rendham Kids to just Rendham Park to highlight that, in future, the area will be used by various groups, not just children. Cllr. Field is looking into removing the old noticed on the gate / No Dogs signs and replacing these with new signs.

PARISH COUNCILLOR VACANCIES - Unfortunately both Cllrs. Emma Strachan and Martin Croucher have resigned, so therefore there are two vacancies on the Parish Council. If you are interested and want to know more please contact the Parish Clerk Chris Salmon on 664 199 or email rendhampc@gmail.com

ALL OUR YESTERDAYS - Rendham Village Hall. Around this time back in 1972, the management committee were discussing how the village hall should be heated as part of the then rebuilding works. Oil heating was rejected in favour of electricity. The current management committee is once again looking into more up-to-date heating systems and insulation in order to improve the environment for users. The life cycle goes on! *Denis Moore, Chairman, RVH Management Committee*

ST. MICHAEL'S CHURCH, RENDHAM - CHURCHWARDEN'S REPORT

Our Harvest Evensong service was on Sunday 29 September followed by the Harvest Supper with proceeds going to the Gambian school's water bore hole project. On Sunday 10 November our Service of Remembrance will take place just before 11am, as it has done for so many years. The service will be conducted by Professor John Tesh, and the collection will be for the Royal British Legion. We would like to thank Cam, Paul and the other volunteers who have so valiantly strimmed

and cut back the undergrowth and grass in the churchyard. Very many thanks to all those who took part in the Ride and Stride event on Saturday 14 September. Their efforts always contribute much to all six parishes in our Benefice.

We will be holding our Christmas Market in Rendham Village Hall on Saturday 7th December from 9:30am - 12:00 noon with Christmas stalls, gifts, refreshments, Tombola and much more. All proceeds in aid of St Michael's Church.

RINGING NEWS August saw the practice suspended in Rendham for the first time. We usually go to great lengths to keep our ringing regular - same days, same times. This is a courtesy to our neighbours and is good for other ringers, either our friends from Suffolk towers, visitors calling in whilst on their holiday, or when working in the area. We just couldn't manage to guarantee a presence in sufficient numbers to provide a proper welcome so we sadly chose to leave the bells silent. We missed a couple of Sundays too which, for this Preacher's kid, is upsetting.

We did welcome a visiting peel band though, who made good use of our eight bells ringing Yorkshire Surprise Major on August 11th. On

September 23rd a different group of visitors rang a quarter peal of Morning Dew Surprise Major. The 'Major' bit means it is an eight-bell method. Doubles is five bells, Minor is six, Triples is seven, Major you know, Caters is nine, Royal is ten, Cinques is eleven and Maximus is a method rung on twelve bells.

Some methods can only be rung on even numbers and some only on odds. There are some methods that extend happily from Minor to Maximus but some extensions end up quite different so have to have a new name. Yet others have a number of routes. So we have three different London Royals and in Maximus they have different names e.g. Londinium.

RENDHAM MUMMERS' TOUR RAISES £1,233.60 FOR CHARITY

Much to the amusement of the gathered crowd and bewilderment of passing motorists, a motley colourful crew of entertainers gave a final performance of their play outside the Rendham White Horse on August Bank Holiday Monday. The play was set in the times when the Roman Empire extended much across Europe and resistance to rule was quickly quashed. The Mummers and their musicians recalled how the Head of Claudius came to be found in the River Alde, near Rendham. Sadly, for The Speaker,

having lost his head, it was to be his last play - leaving those left behind to continue the tradition. The Speaker, who founded the Mummers in 2010, will remain a cast member.

It has been a great tour and we hope we have brought fun and joy to you all. However, none of this would have been possible without the support of you, and your generosity. A cheque for £1,233.60 from the Hat Collection, was recently presented to Lighthouse Women's Aid, which we feel sure will make such a real difference to the work that they do locally for victims of domestic abuse and their families. Our thanks also go to the Publicans, and their staff, for making us welcome and keeping us supplied with beer.

We will be taking a short break now before returning for one night only to celebrate the **Winter Solstice**, from 6:45pm, **Sunday 22nd December**, on the Knoll at Rendham. Our new play, 'Death Stole the Sun' will be performed under the Sacred Oak at 7:30pm. A date for your diary! For more information and photos see the Rendham Mummers' Facebook page. *The Green Man - Spiritual Leader of the Mummers Clan*
