

## **Report from Neighbourhood Watch**

The new Rendham Neighbourhood Watch Scheme has got off to a good start, with many residents signing up online. We have also put up new signs in the village (thank you Jan and Kris Dabrowski for putting these in place), that can be seen coming into the village from all directions. These signs have a proven record of reducing crime in areas where they are displayed.

The event held at the Village Hall in conjunction with the Church Coffee morning on April 18<sup>th</sup> was a great success. The local PCSO Christian Hassler and the Suffolk Neighbourhood Watch Co-ordinator Nick King, were able to meet many local residents. They were kept busy all morning, giving advice and giving away lots of useful gadgets as free gifts.

It's hoped we can build on this momentum, and continue to keep residents informed by disseminating notices from both Suffolk Police and the Neighbourhood Watch Network to residents on the email mailing list.
